

May 1, 2023

To all students

Vice President (for Student Support and Ship Operations Management)
KANEOKA Kyoko

Regarding COVID-19 Safety Measures on and after May 8, 2023

In accordance with "Regarding Measures for the Prevention of COVID-19 Infection When Attending Classes (July 20, 2020)" and "Student and University Response in Matters Involving Coronavirus Infection (March 26, 2020)", etc., we have asked you to play your part in keeping yourself and others safe and help minimize the risk of infection. With your cooperation, we have been able to gradually ease the measures set forth in the notices above.

In line with the reclassification of COVID-19 to Class 5 as common infectious disease, effective May 8, 2023, the above notices will be lifted on May 7, 2023.

However, we should remain mindful of the following steps we can all take to protect ourselves from COVID-19:

- **Whether you are on or off campus, take preventive measures**, including avoiding the "Three Cs" (Closed spaces, Crowded places, and Close-contact settings), maintaining a safe distance between yourself and others, hand hygiene such as washing hands regularly and ventilation.

! Washing hands <https://www.mhlw.go.jp/content/10900000/000597149.pdf>

! "Coughing manners" <https://www.mhlw.go.jp/content/10900000/000597150.pdf>

- As for mask wearing, while it is up to the individual in most situations, you are advised to follow masking guidance **in the event of an outbreak or any exceptional measures set forth by the University for classes, experiments, or practical training, etc.**
- If you have symptoms or have tested positive for COVID-19, **do not come to campus and make sure to notify us at the email address below.**
