To all students

Campus access restrictions will be lifted on October 1, and we are taking the opportunity once again to share a student announcement originally posted on July 20 at the following URL. Be sure to review it and follow the guidelines.

Also follow the additional notes below.

Regarding measures for the prevention of Covid-19 infection when attending classes

Additional notes

1. Always bring your student ID card with you to campus and present it at the guard station.
2. Carry a copy of your health records, either in standard printed form or in the Kenko Nikki (health diary) app.
